# SWIFT Pathways to Participation

## Staff Initiated-Borrowing

- Unautomated and libraries that cannot lend
  - 23 (two public, and 21 CDOC) Libraries are live with Staff-Initiated Borrowing
    - With migration to AspenCat, CDOC libraries will move to D2IR
  - Work is ongoing to contact remaining libraries to set up the RSB Client, and scheduling implementation with Innovative

## Full RSB Patron-Initiated Borrowing & Lending

- Automated libraries that want to lend and offer patron-initiated lending
  - 23 automated libraries (public and academic) are live with Staff-Initiated Borrowing
  - Work is ongoing to implement Lending and Patron-Initiated borrowing for two libraries
  - Work will be scheduled for more libraries that want to lend and offer patron initiated borrowing

## D2IR Borrowing and Lending

- Polaris & Sierra:
  - All libraries are live on patron-initiated borrowing and lending
- AspenCat
  - Testing and configuration with ByWater, CLiC, and Innovative is complete
  - 5 libraries are live on patron-initiated borrowing and lending
  - Implementation for remaining AspenCat libraries will be scheduled soon!

# Colorado Talking Book Library

Lorrie Spoering

Patron Services Reader Advisor

Here at the Colorado Talking Book Library, we're not just for people with blindness or low vision. Our service is also available to people who experience physical limitations that prevent them from reading standard print, and for those with a learning disability. We will share with you the ins and outs of our service, who qualifies, and how it works, and how you can share this resource right away!
