

Prospector Update CORSPC 2024

Rose Nelson
Prospector Coordinator
CO Alliance of Research Libraries

Agenda

- What's new
- Statistics
- E-Lending
- Future developments

What's New?

INN-Reach Modernization

- OS on Millennium-end of life
- Sierra makes future development faster and simpler
- March 2024-upgrade INN-Reach server to Sierra
- RSBs still on Millennium. Will eventually be upgraded
- No effect -Sierra libraries, Koha, Polaris
- Several INN-Reach systems have already been converted to Sierra

Severed link with MOBIUS

- MOBIUS moving from INN-Reach to OpenRS
- Plans to go live late-May 2024
- MOBIUS courier service has been shutoff
- All items need to be mailed back to MOBIUS
- Re-establish link when Prospector migrates to OpenRS-likely 2025 or 2026.

Migrations

CU Boulder

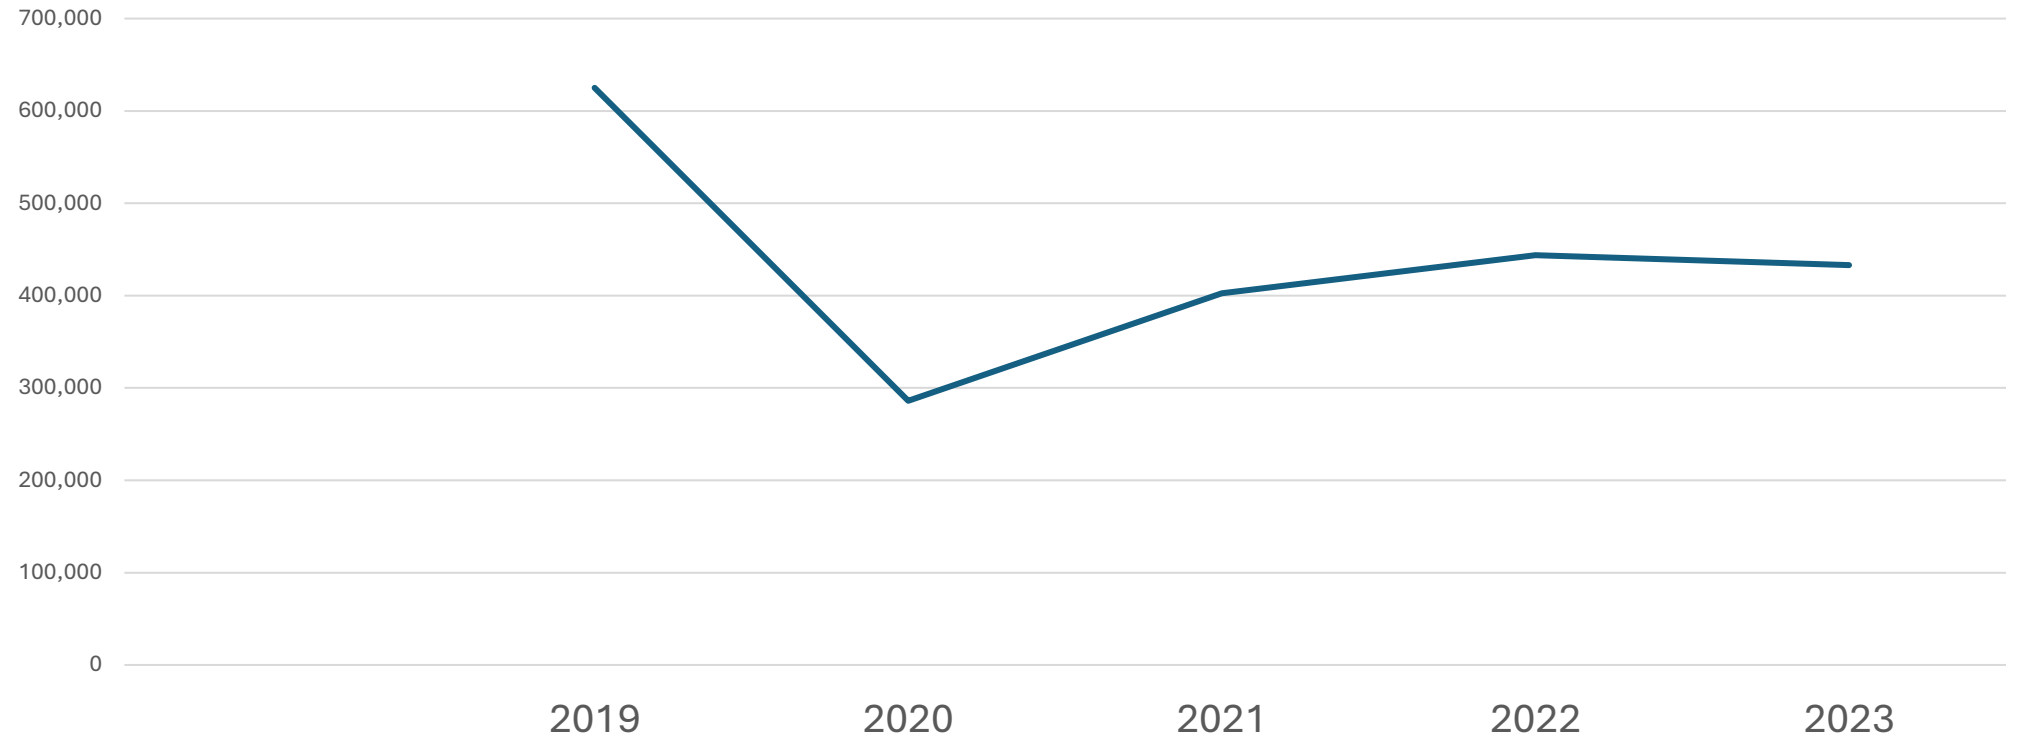

- Migrated from Sierra to FOLIO
- Connect directly through API, no RSB)
- Rejoin Prospector Summer-Fall 2024

U of Wyoming

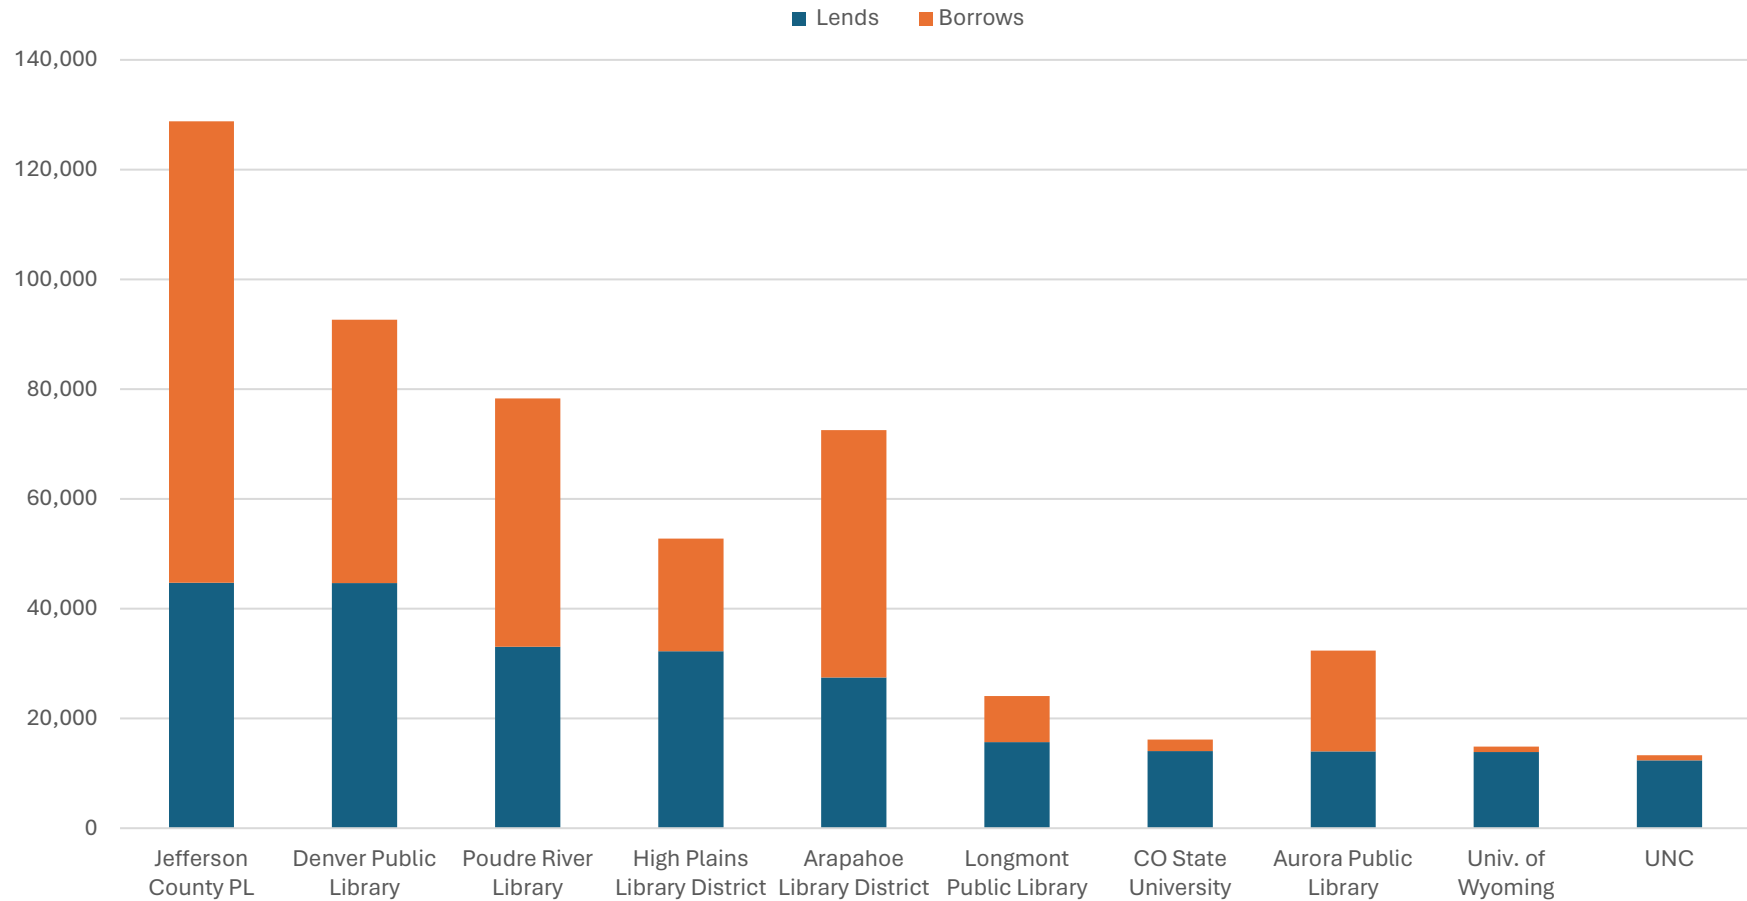

- Migrated from Sierra to Alma/Primo
- Connect directly through API, no RSB)
- Rejoined Prospector in March 2024
- Resumed eLending

Statistics

Fulfillments 2019-2022

Top Lenders 2023

Database Statistics

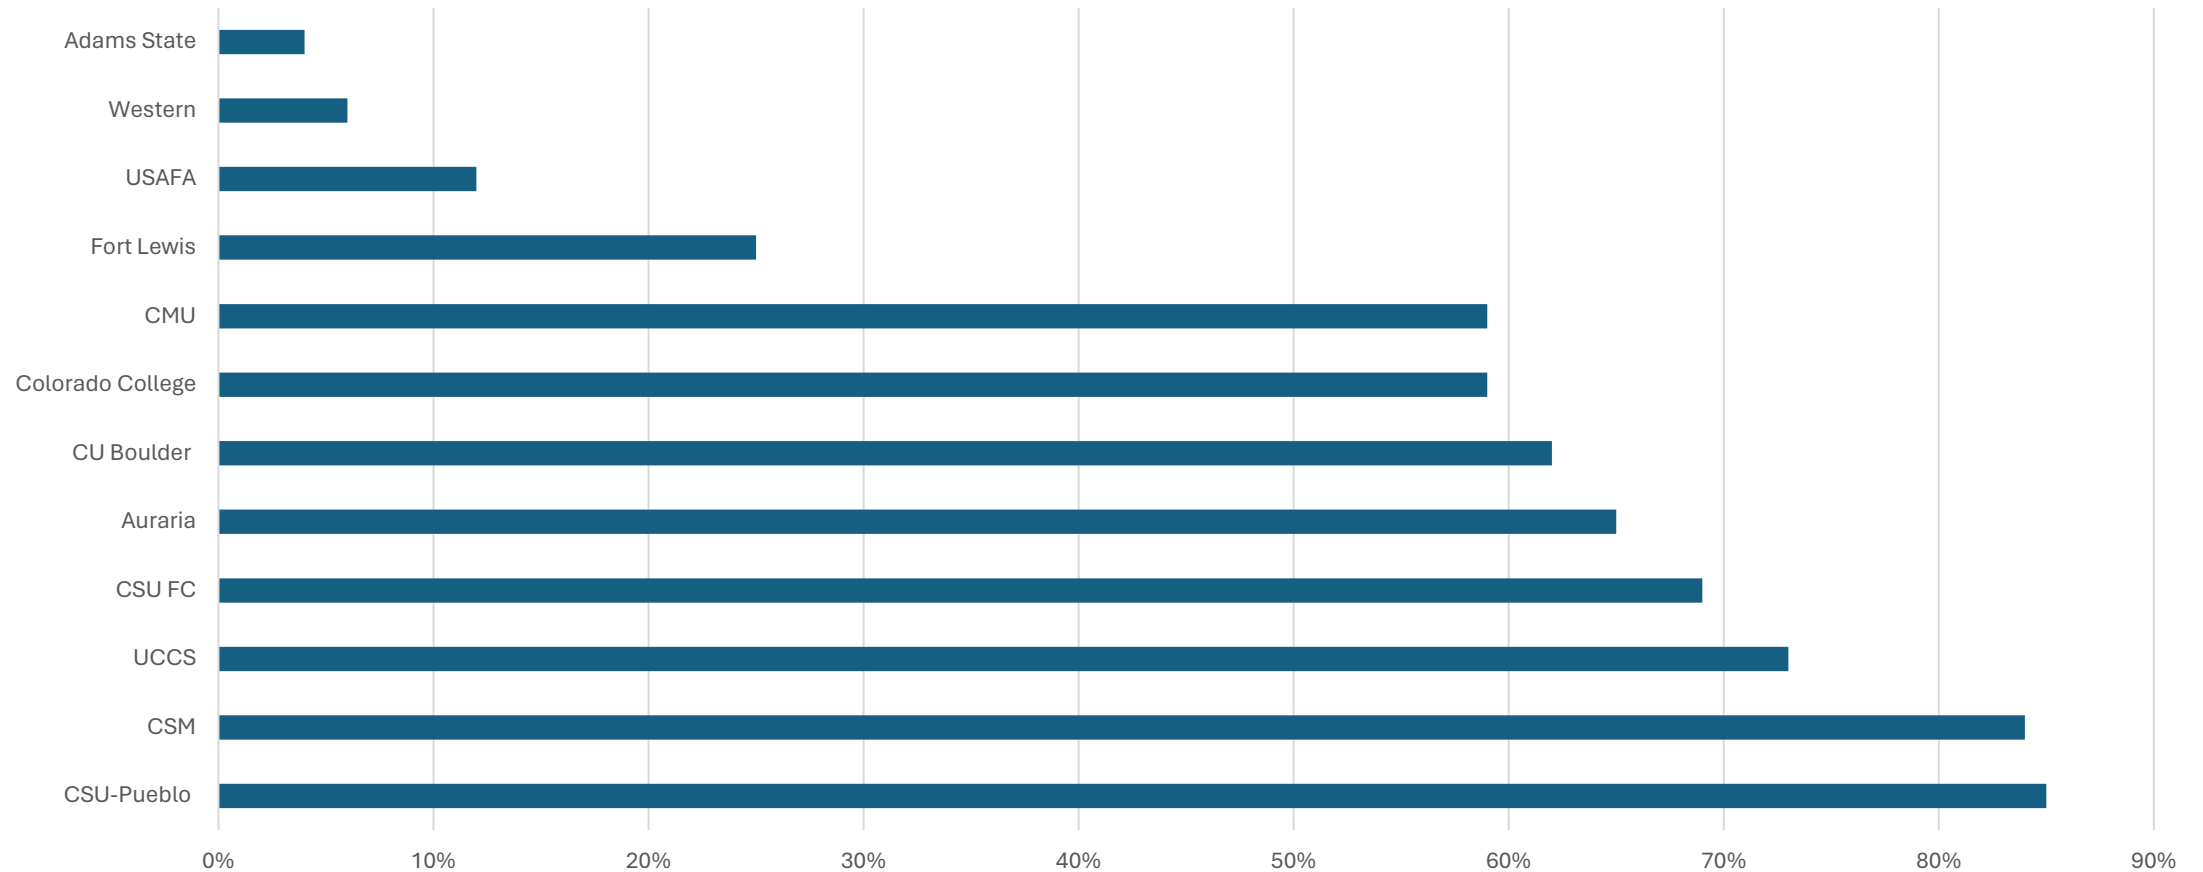

Over 15
million bib
records

Over 33
million item
records

64% items
held by one
library

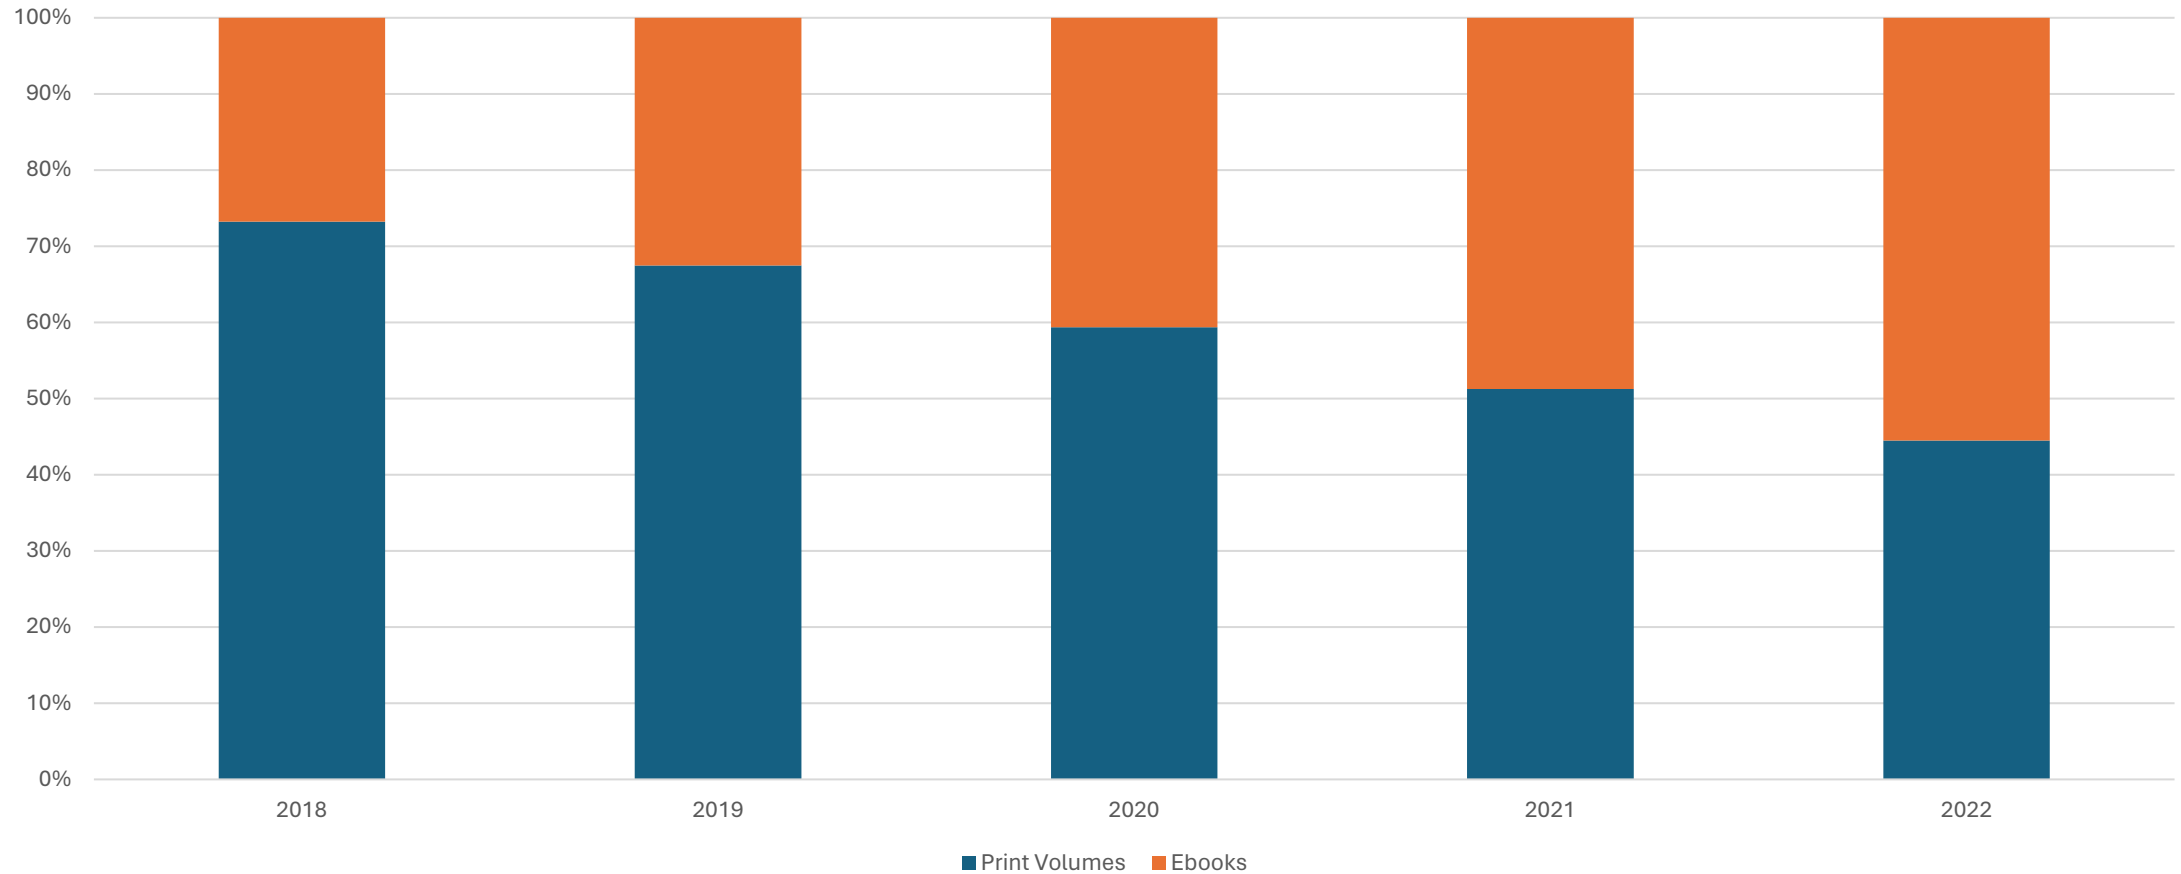

E-Lending

Percent of selected academic collections that are electronic
